### Acommodation

<a href="#">Combe Grove</a>	01225 834644	<a href="mailto:hello@combegrove.com">hello@combegrove.com</a>	A very interesting project... this beautiful luxury hotel (with spa and pools inclusive for hotel guests) is also a charitable apprenticeship project where multiple skills are being acquired. They have 40 rooms and say "Receive a 15% discount on any group booking of 5 rooms or more when you quote <b>"Silk Mill"</b> . And we'll treat the bride and groom to a bottle of bubbly." We visited but have not yet had anyone stay there. Feedback welcomed! They are talking of a minibus service that could be used by wedding parties as they are a few miles from Frome. (dog friendly!)

<a href="#">Stonwall Manor</a> Culverhill Frome Somerset BA11 5AA	Amy Lewis on: 0845 257 1510		This is a big Elizabethan Manor house in the town that has an anexe and can sleep up to 27 (I think). It is a bit rough and ready but with a very nice atmosphere, we had a wedding party stay there who were very happy with it. I am planning to go and see for myself and get more details

<a href="#">Jackdaw Cottage, Bruton</a>	07906 242296	<a href="mailto:jackdawcottagebruton@gmail.com">jackdawcottagebruton@gmail.com</a>	A really beautiful cottage with 2 bedrooms in Bruton, no detail has been left unperfected in this lovingly created space.

Bruton has several other airbnb places that the Jackdaw Cottage people recommend so if you were to go for Bruton as your main accommodation spot there would be plenty of good choice... including:

<a href="#">Bower House Tree House</a>	01749 812707	<a href="mailto:info@bowerhouseconstruction.co.uk">info@bowerhouseconstruction.co.uk</a>	Totally amazing tree house (between Bruton and Frome) that we have been lucky enough to stay in ourselves. Sleeps 2 and has all mod cons you could imagine including hot tub on the terrace!

Lester Silk/Carley Watts at CSS Security.  
Security has to be organized through an accredited organization so if you do not use these guys then it must be another such. Please let Kate know who you are using asap.  
We know it is a pain but you need a guard per 75 people so if you have 150 people in the evening you will need two security people.
